(b) *Conveyance of title*. In the case of a conveyance of title to the property, the lender must inform the Agency in advance of how it plans to acquire title and a timetable for doing so. The Agency will accept the conveyance upon receipt of an assignment to the Agency of all claims of the lender against the property and assignment of the lender's rights to any operating funds and any reserves or escrows established for the maintenance of the property or the payment of property taxes and insurance.

§ 3565.456 Filing a claim.

Once the lender has disposed of the property or the Agency has agreed to accept an assignment of the loan or conveyance of title to the property, the lender may file a claim for the guaranteed portion of allowable losses. All claim amounts must be calculated in accordance with this subpart and be approved by the Agency.

§ 3565.457 Determination of claim amount.

In all liquidation cases, final settlement will be made with the lender after the collateral is liquidated, unless otherwise designated as a future recovery or after settlement and compromise of all parties has been completed.

(a) *Report of loss form*. An Agency approved form will be used for calculations of all estimated and final loss determinations. Estimated loss payments will only be paid by the Agency after it has approved a liquidation plan.

(b) *Estimated loss*. An estimated loss claim based on liquidation appraisal value will be prepared and submitted by the lender.

(1) The estimated loss payment shall be applied as of the date of such payment. The total amount of the loss payment paid by the Agency will be applied by the lender on the loan debt. Such application does not release the borrower from liability.
